

HYPNO EXPO

Keynote Address

Hypnotherapy and Liminal spaces

Saturday, May 20th, 2023 at 9:00 AM

**Sayyed
Mohsen
Fatemi**

Dr. Sayyed Mohsen Fatemi completed his postdoctoral studies in the department of psychology at Harvard University and is an adjunct professor in the Graduate Program in Psychology in the department of psychology at York University, Canada, and teaches for the department of psychology at York.

His publications appear in Springer, Wiley, Routledge, Cambridge University Press, Oxford University Press, American Psychiatric Association, and Journals such as APA's Journal of Theoretical and Philosophical Psychology and the Journal of Clinical and Experimental Hypnosis.

KEYNOTE ADDRESS: Hypnotherapy and Liminal spaces

(hypnosis and renaissance of the self: hypnotherapy and the unthought known)
This keynote presentation examines and discusses the implications of hypnotherapy for creating liminal spaces for thoughts, feelings and behaviors.
